Our services: India Law Offices is a full-service law firm established on sound principles as well as honest and diligent practices. We have a deep presence in India, with 27 service cities, while we have the ability to provide legal and growth advisory in over 70 countries worldwide.

Our clients enjoy our unique blend of nearly all legal and tax services under one roof with a single point of contact.

We are a part of three major international legal networks, namely Warwick Legal Network, Prae Legal and European Tax & Law. The firm's key services include:

Litigation: India Law Offices represents clients before the Supreme Court, high courts, district courts, tribunals and boards across India. Our litigation team assists in litigation (civil and criminal), arbitration, recovery suits, matrimonial suits, corporate, criminal, winding-up petitions, consumer rights, motor accident claims and many more areas.

Corporate finance: The firm provides assistance on joint ventures, private equity, foreign investments, mergers and acquisitions, compliance-related issues and related areas of corporate finance.

Taxation: The firm offers comprehensive taxation advisory, litigation, compliance and audit services in all areas of taxation, including

income tax, international tax, custom duty, excise duty, sales tax and service tax. It also provides guidance pertaining to cross-border taxation queries and the setting up of businesses in India. Advisory services are offered on tax issues, both on domestic transactions and those in other jurisdictions. We also advise on transfer pricing.

Intellectual property rights: The firm handles disputes relating to trademarks, copyrights, patents and designs, IP prosecution and litigation matters, and has been representing clients before the Supreme Court, high courts and district courts, forums, commissions and the Intellectual Property Appellate Board.

India entry strategy: The firm specializes in legal and strategic guidance for the setting up of businesses. The firm has an experienced panel of law professionals and experts, including corporate lawyers and business experts, who are well-versed in all the nuances of setting up businesses in India. Specific services include: incorporation and setting up of businesses in India and overseas; the structuring of investment vehicles; subsidiaries and joint ventures; technology transfers and licensing; technical assistance and services arrangements; and governmental and regulatory compliance.

Arbitration: The firm advises and represents clients in arbitrations, both domestic and international, before the Arbitral Tribunal and various courts, bodies, forums and other organizations all over the country.

Real estate: The firm provides advisory services on the real estate sector, including drafting and reviewing of various real estate transactional documentations, title verification, due diligence, land acquisition, leasing, stamping and registration of documentation pan India.
