

VIRTUAL INDIA DESK

INDIA LAW OFFICES LLP

What is Virtual India Desk?

The Virtual India Desk is an idea & technology innovation by our law firm to collaborate with our partners worldwide for their clients' interests in India. Our dedicated India Desk team is available as an in-house team to help pitch India related work to existing or new clients. In today's seamlessly virtual world, the local of a colleague is immaterial. Once there is a decision to work together, various teams from your law firm could collaborate with our Virtual India Desk team to answer any India related queries as well as have virtual meetings to help acquire new business or clients.

Our Virtual India Desk team of specialized corporate, tax & commercial lawyers are dedicated to help your firm in assisting your clients' investment and development projects in India.

How would the arrangement work ?

The Virtual India Desk is a new collaboration & business development initiative by our law firm.

There is **no fee or cost** to your firm. Our law firm would expect to be engaged by your law firm, your client or any new client that would be developed by such activities.

As an India Desk Partner, we shall offer support as:

Regular Indian Law Updates:

Our team will provide periodic updates on Indian investment laws and opportunities which you can share with your client network (if suitable) under your own branding.

Client Pitch & Queries:

We will answer any queries on India investment & Indian Law raised by your team or clients within 24 working hours. Support your firm in pitching to new clients for legal work related to India.

Virtual Meeting:

If required our attorney would participate along with your team as your India partner in Video / Audio calls with your clients on Indian Law & investment matters.
